UI/UX Designer

Education

BSc (Hons) Computing

Herald College Kathmandu | 2022 – 2025

+2 Management

Uniglobe SS / College, Kathmandu | 2019 – 2021

Projects

- **Real Estate Website (2024)**
  - Designed a real estate website using UI/UX Figma optimizing for laptop and PC.

- **Car Rental System (2024)**
  - As a Business Analyst, I assisted the developers with wireframe, diagrams and problem-solving tasks. Moreover, I successfully led them enabling us to complete the project in given timeframe.

- **Heart Rate Censor (2023)**
  - Successfully created a heart rate sensor for my embedded project equipped with sensor and Arduino to detect Heart rate and pulses.

- **RouteMate (2025)**
  - Real time bus route tracking system App using React native, node.js and PostgreSQL with multiple features. This app is currently under development.
